

① Login-Register

A hand-drawn sketch of a login/register form. At the top is a square placeholder for a profile picture. Below it are two input fields: one labeled 'email' and one labeled 'password'. To the left of the password field is the text 'new user?'. To the right of the password field is a small box containing the text 'Forgot Password'. To the right of the 'Forgot Password' box is a button labeled 'Login'. Below the 'email' and 'password' fields are two buttons for social login: one with a Facebook 'F' icon and the text 'Login With Facebook', and another with a Google 'G' icon and the text 'Login With Google'.

Fee Daily's Filter Model

A hand-drawn diagram of a mobile application interface for 'Fee Daily's Filter Model'. The interface is contained within a rounded rectangle. At the top is a search bar with the placeholder text 'Minimal, inter, etc' and a magnifying glass icon. Below the search bar are three filter buttons: 'E-Commerce X', 'Fashion X', and 'Technology X'. The bottom half of the interface is a large, empty rectangular area, likely for displaying search results or a feed.

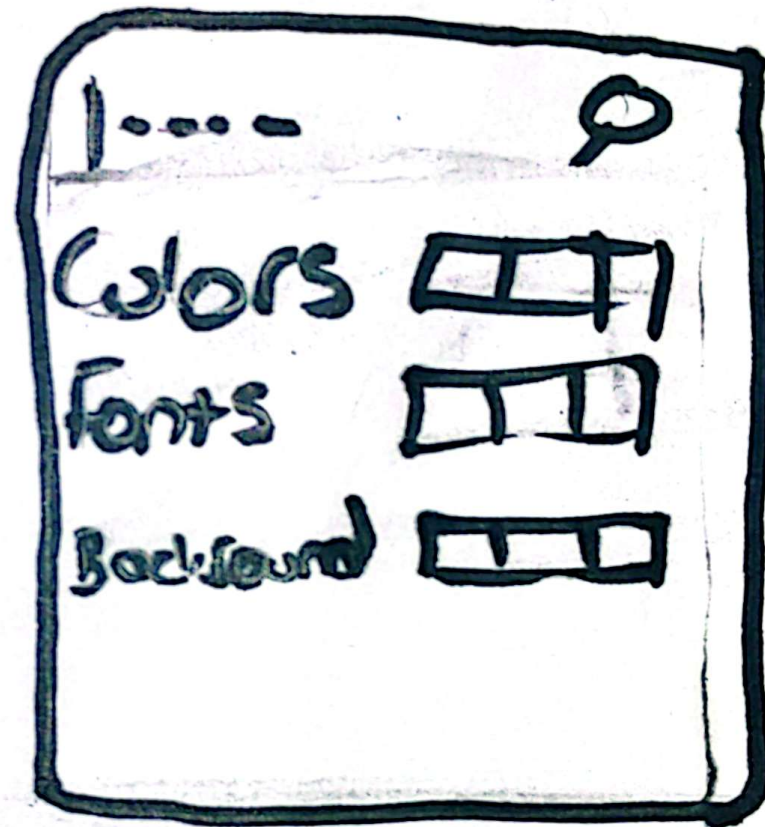

This model shown us search tool's of FeeDaily which provide us daily feeds of world.
